

### **ADMINISTRATION IN POLICY ABSENCE**

In situations that may arise within Regional School Unit-24 (RSU) where the RSU Board (RSUB) has provided no guidelines for Administrative action through Policy, the Superintendent has RSUB authority to take action as deemed necessary.

The Superintendent shall inform the RSUB of the need to develop policy on all such topic(s) and/or area(s).

All school policies previously adopted by School Administrative Units (SAU's) prior to their joining the RSU will remain in effect until superseded by an RSU Policy.
