

FINAL EXAMS

The Regional School Unit-24 (RSU) Board (RSUB) recognizes that the regular assessment of student progress through final examinations (“final exams”) is an integral and essential component of the teaching-learning process. All RSU students should be able to concentrate on studying for, and taking, final exams with minimal distraction from other activities.

Therefore, it is the policy of the RSUB that:

- A. No co-curricular activities will be scheduled before 2:30 p.m. Monday through Friday of semester final exam week.
- B. No co-curricular practice sessions will be completed or scheduled after 6:00 p.m. Monday through Thursday of final exam week.
- C. In the event that an activity scheduled by the Maine Principals Association or other authorized organization is scheduled during final exam week, the Athletic Director, the Activity Director or Building Administrator must obtain RSUB approval for student participation.
